Good morning all,

Need to know who will be attending tomorrow mornings hearing to renew our Los Feliz Village BID? I want to thank the two individuals that emailed me back and I need to get a head count today so I can let the City Clerks office know who will require a parking pass. Please let me know by 12 noon today. As I mentioned in my earlier email to all of you, it is important that we attend tomorrow mornings hearing and show our support for the BID that we have been elected by our constituents to represent and uphold. Thank you.

Good morning Los Feliz Village BID Board members,

We have confirmation of our hearing date for the BID's renewal for this coming Tuesday, April 25, 2017 at 10:00 am at City Hall. I mentioned this at our last board meeting but not everyone was present and I am following up with this email confirmation today.

I don't think there are any issues that will stop of from being approved and voted by City Council. The public is invited to speak and state their opinions if they wish. I will be attending and at this time would like to find out who else will be attending. It is important that we as a group attend to show support for the Los Feliz Village BID as we are voted in representatives for this business community. There are a lot of projects that have been approved for completion this year and with our financials being strong and we have the funds to complete all of them.

I encourage all of you to attend along side of me. Every board member that has a vote also has a voice and City Council will allow us the opportunity to speak and tell them why we should continue as a BID. Please let me know at your earliest convenience. We can carpool and also I can get parking passes for all of us. Thank you.

Respectfully,

Rafik Ghazarian
President
Los Feliz Village BID
